
Crosman 99 .22 Air Rifles

£ 250

Description

This is a Crosman 99 .22 CO2 powered Lever Action Air Rifle. These guns were made between 1965 - 1970 and are very unusual in the UK. This is a CO2 powered lever action pellet firing repeater. This one is in very good condition for its age and has its original woodwork. This would make an excellent addition to any Crosman collection.
